Dear Sir/Madam

RECOMMENDATION: TRENDSETTERS TRAVEL

It gives me pleasure to provide a letter of recommendation for Trendsetters Travel. Midstream College has had a successful business relationship with them since 2010. Since that first tour to Europe, we have had 12 tours, with another 118 learners embarking on three tours abroad in 2020.

Trendsetters has delivered an exceptional level of service over the years. Their tours are well organised, structured and they offer competitive rates. They handle the complexity of school tours with ease.

We look forward to many future tours with Trendsetters Travel.

Kind regards

Mr Leonard Swart
Head of Academics
